

SENATOR ABOUD: Madam President, colleagues, this is another resolution for Omaha Creighton Prep. They won the state baseball title. This is the fifth title that they've won. I don't know if anyone was watching the game, it was on Nebraska ETV and they came from behind in the ninth inning, scoring two runs in the bottom of the seventh inning to win the game. It was a tough match against Millard North but they had a really good team this year. Their Coach Culver did an outstanding job and the resolution honors the players of the team as well as the coach.

PRESIDENT MOUL: Thank you, Senator Abboud. Does anyone wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 255. All those in favor please vote aye, opposed nay. Have you all voted? Please record, Mr. Clerk.

CLERK: 23 ayes, 0 nays, Madam President, on the adoption of LR 255.

PRESIDENT MOUL: LR 255 is adopted. LR 257.

CLERK: LR 257, Madam President, is offered by Senator Lindsay, Ashford, Hartnett and Abboud. It is found on page 2429 of the Journal.

PRESIDENT MOUL: Senator Abboud.

SENATOR ABOUD: Madam President, colleagues, I'll be handling the resolution. I think Senator Lindsay feels confident that I can handle it since I've been successful on the other three. This one honors Omaha Duchesne Academy. They also won their third straight soccer title for girls' soccer. They also beat Millard North. And they've had an outstanding season. Coach Dan Harvey has done a great job coaching this team and they've had an outstanding season the last three years winning the state title. I think Senator Lindsay has a mother that attended Duchesne and three sisters and my wife is an alumni of this school so we were all very honored that they had a successful soccer season. And the resolution honors the team and coach. Thank you.

PRESIDENT MOUL: Thank you, Senator Abboud. Does anyone wish to speak to this resolution? Seeing none, we will now vote on the motion to adopt LR 257. All those in favor please vote aye,
